

INCONTINENT STUDENT BODIES

#5

Everyone got everything? Have your ID ready, folks.

I can't believe you won an *all-expenses paid* trip to Hawaii, Josh!

What can I say? I'm a fool for writing my name into tiny, tiny boxes!

That's *not* what it says!

Yeah, see, it says CHECK BAGGY HERE. And you sure are!

Look, you get your own special line to stand in! Lucky!

Ladies and gentlemen, welcome aboard Flight 969 with service to Honolulu.

If you will follow along on your cards, I will now perform the safety dance.

FINALLY. So take OFF, already.

Och, they've got t'do their safety demonstration an' such...

'Cause your friends don't dance and if they don't dance, well they're no friends of mine...

Safety, shmafety. Let's GO already.

Safety first. See?

TELL me about it.

Now sit back and enjoy your flight, everyone!

And as a courtesy to our YOUNGER guests...

...there is a **DIAPER CHANGE TABLE** in the restroom at the back. Thank you.

A not-so-very-long flight later...

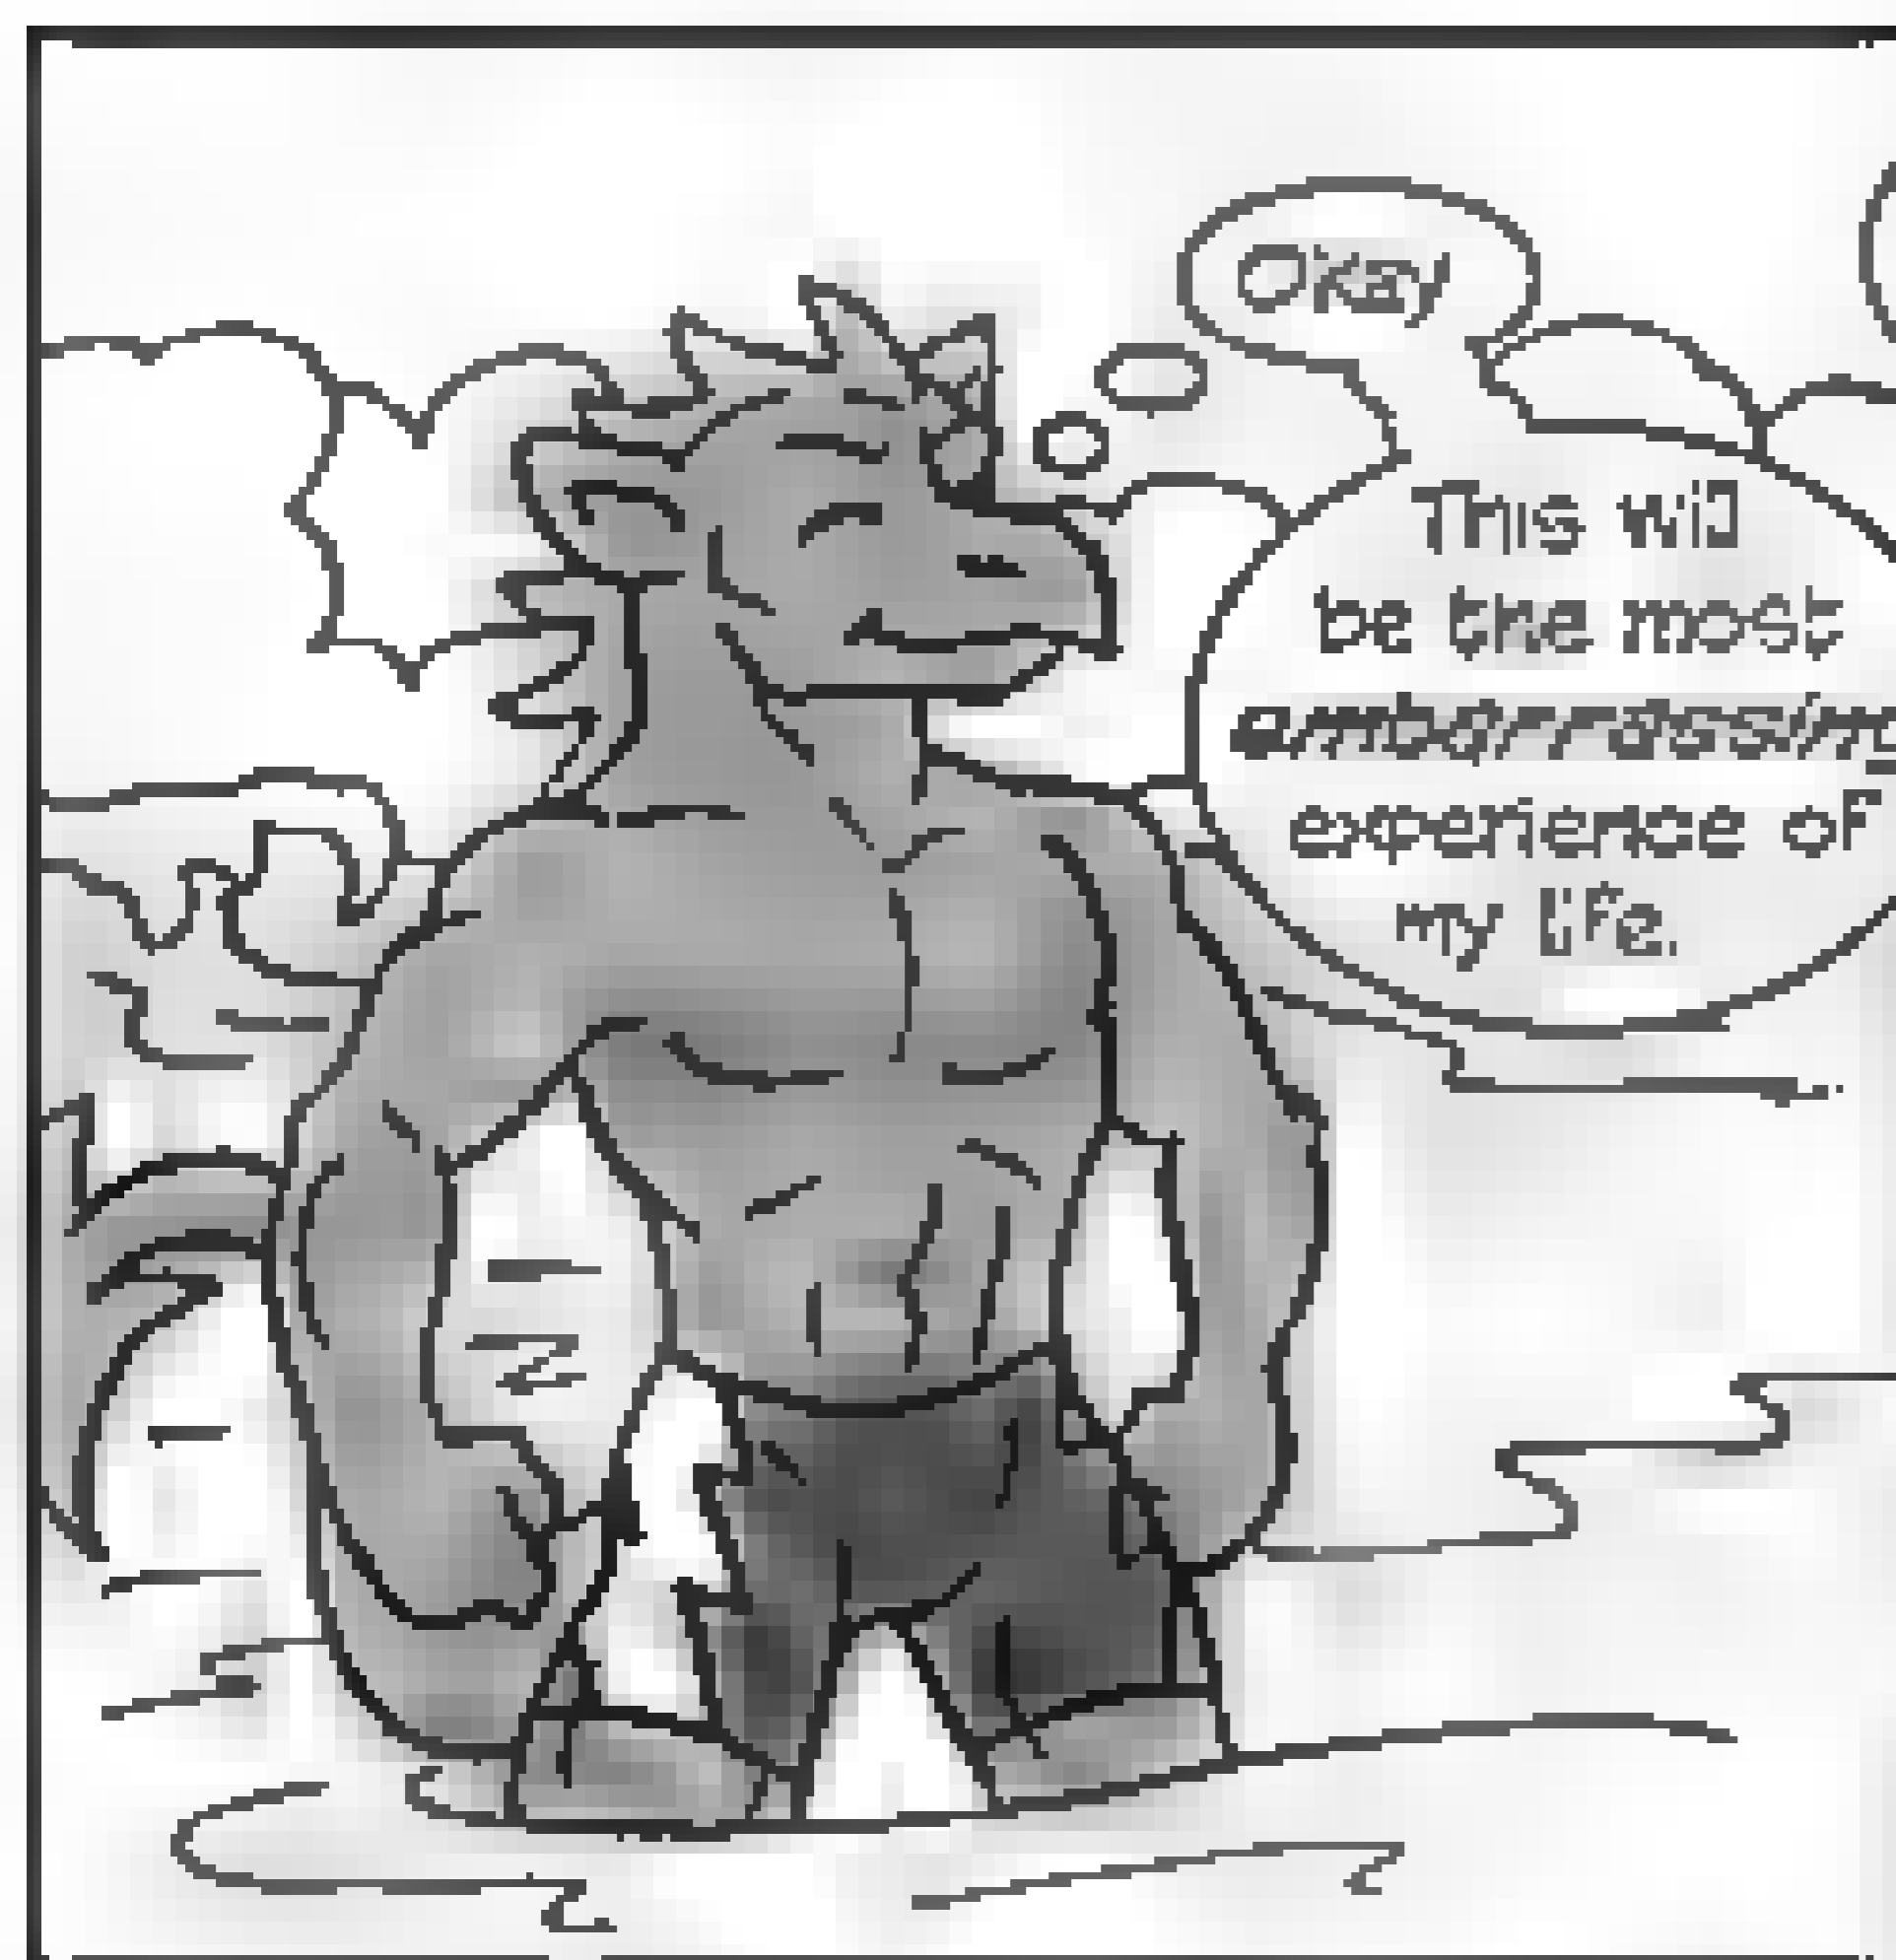

The BEACH, at WAIKIKI:

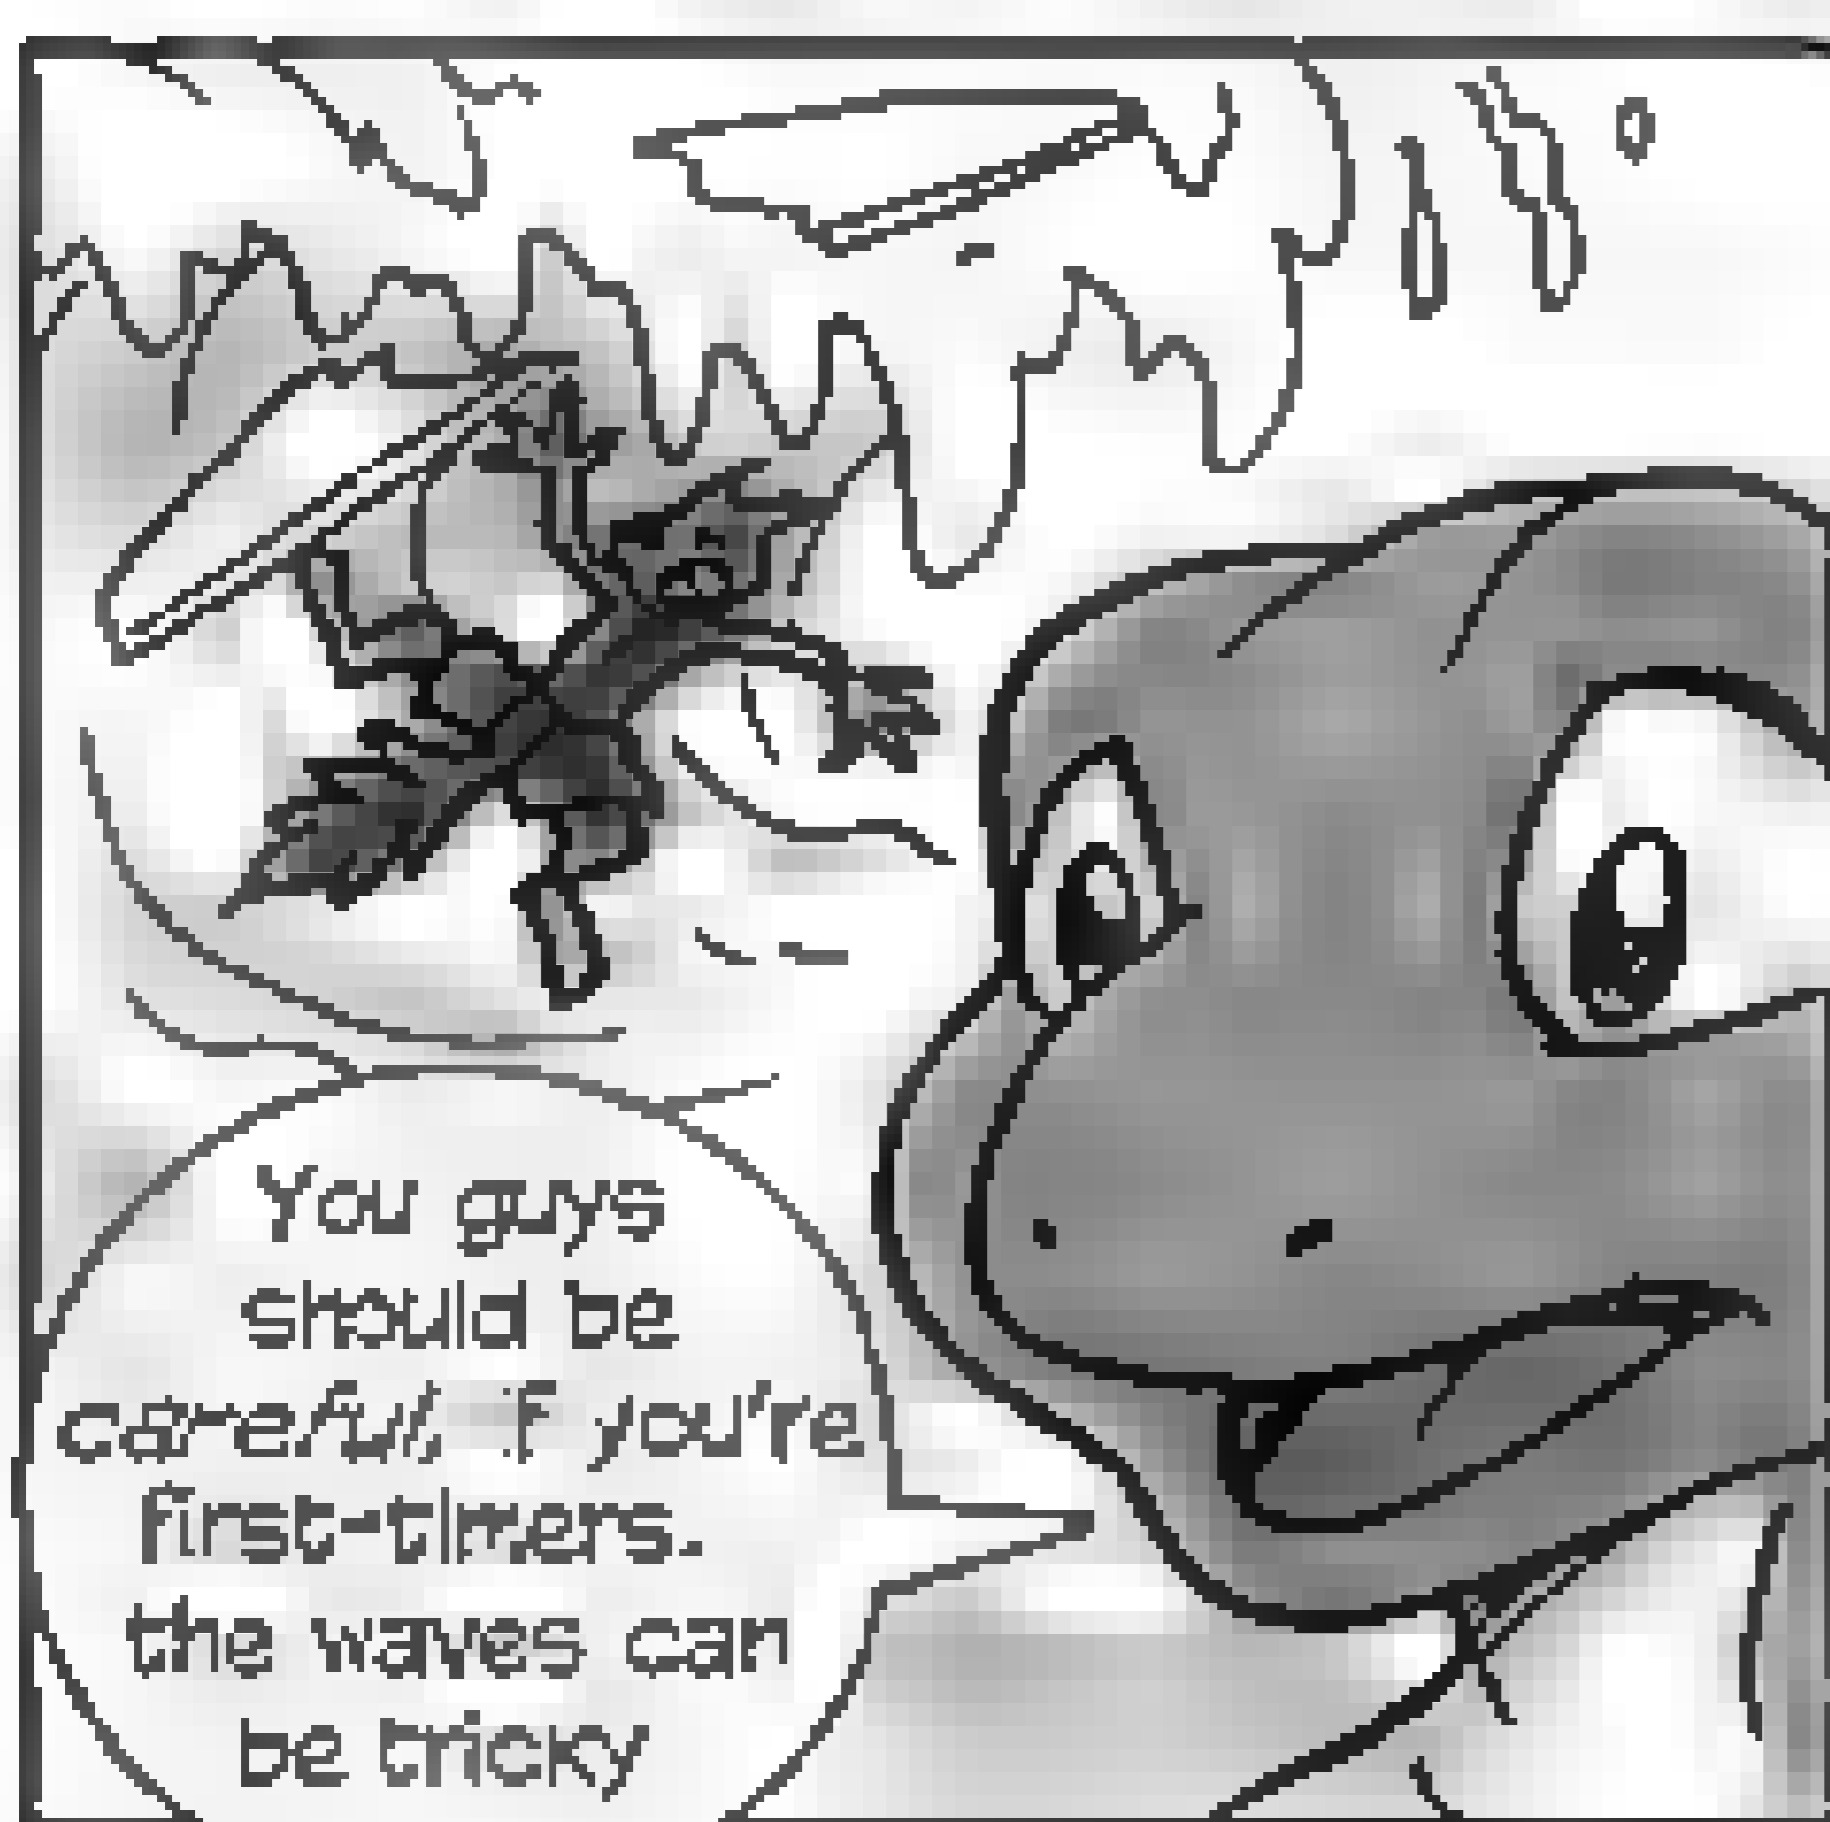

WOOHOOO!

One quick trip up the coast later

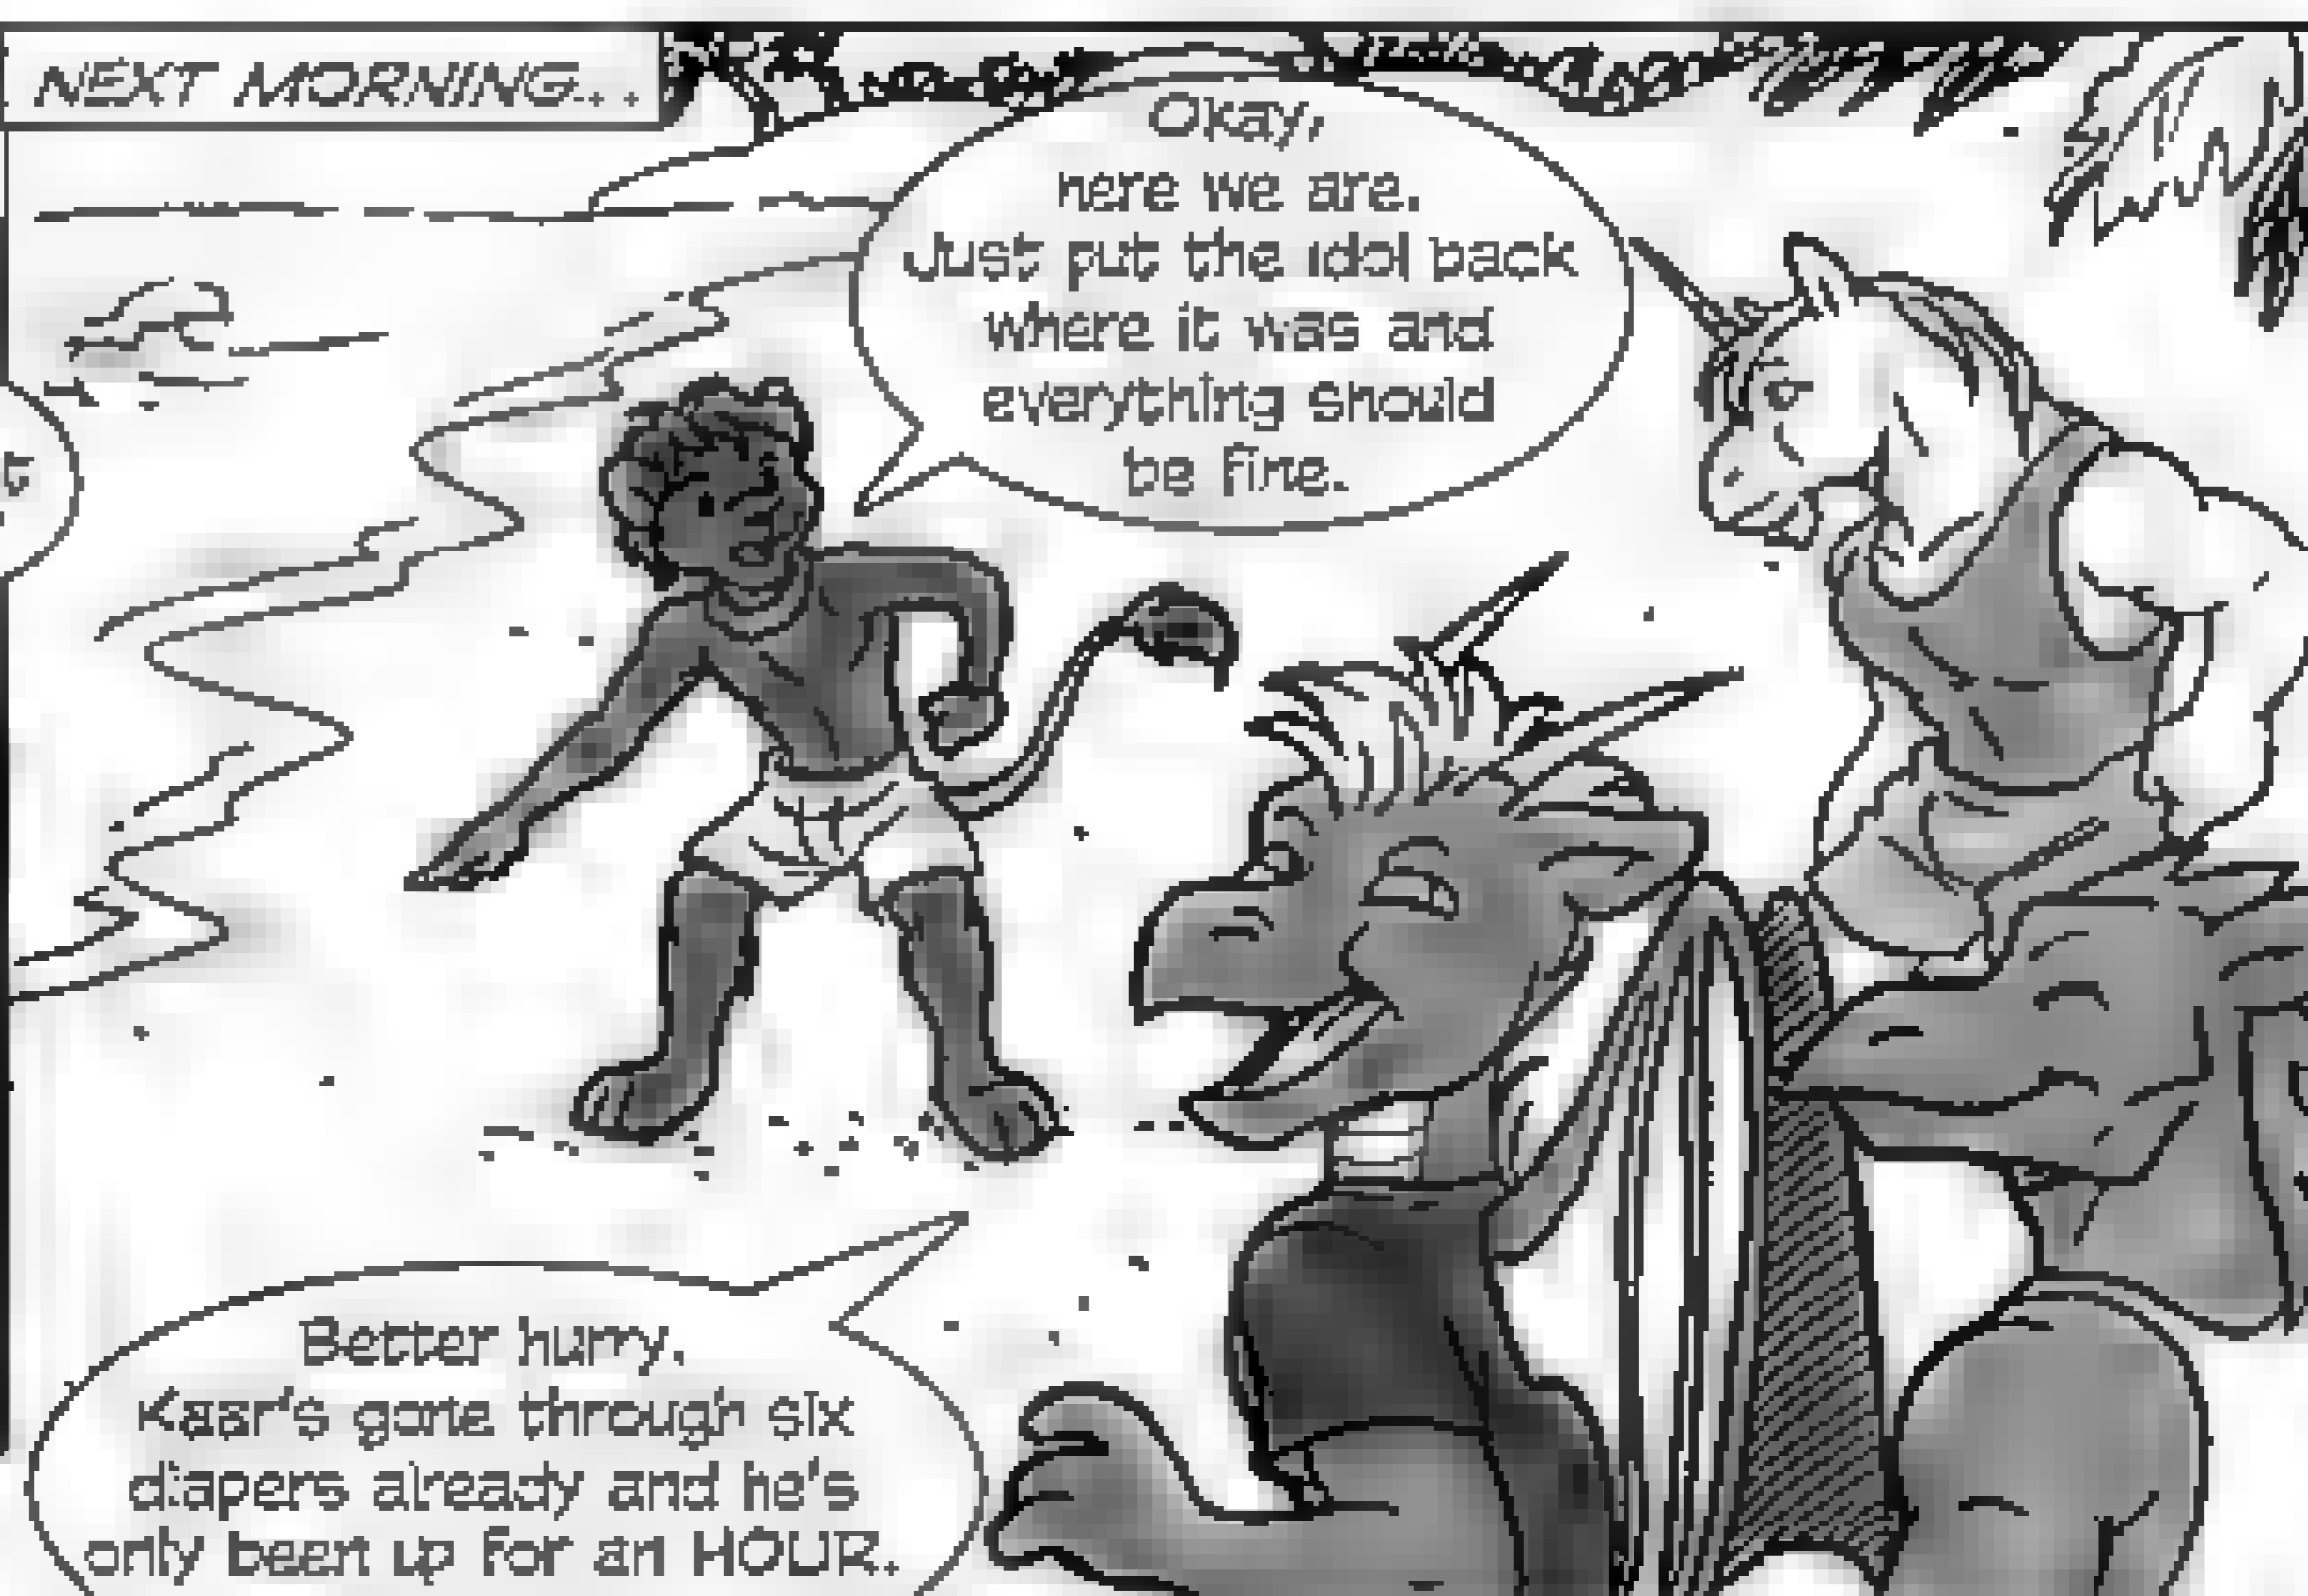

Later that night, the boys return to their hotel, spent and happy from their beach day.

And speaking of Kaar

Oooh...
what happen?

Chloroform...
someone grabbed me,
I remember.

Ah.
You're
awake

Where
is it?

Where's
what?

DON'T
play dumb, foif
The idol. **WHERE
IS IT?**

I don't
have it!

Then
who does?

One of
the guys,
I forget, they
were carrying it
for me.

I've
left a
note
for his
friends.

Without
the idol, the
machine won't
work.

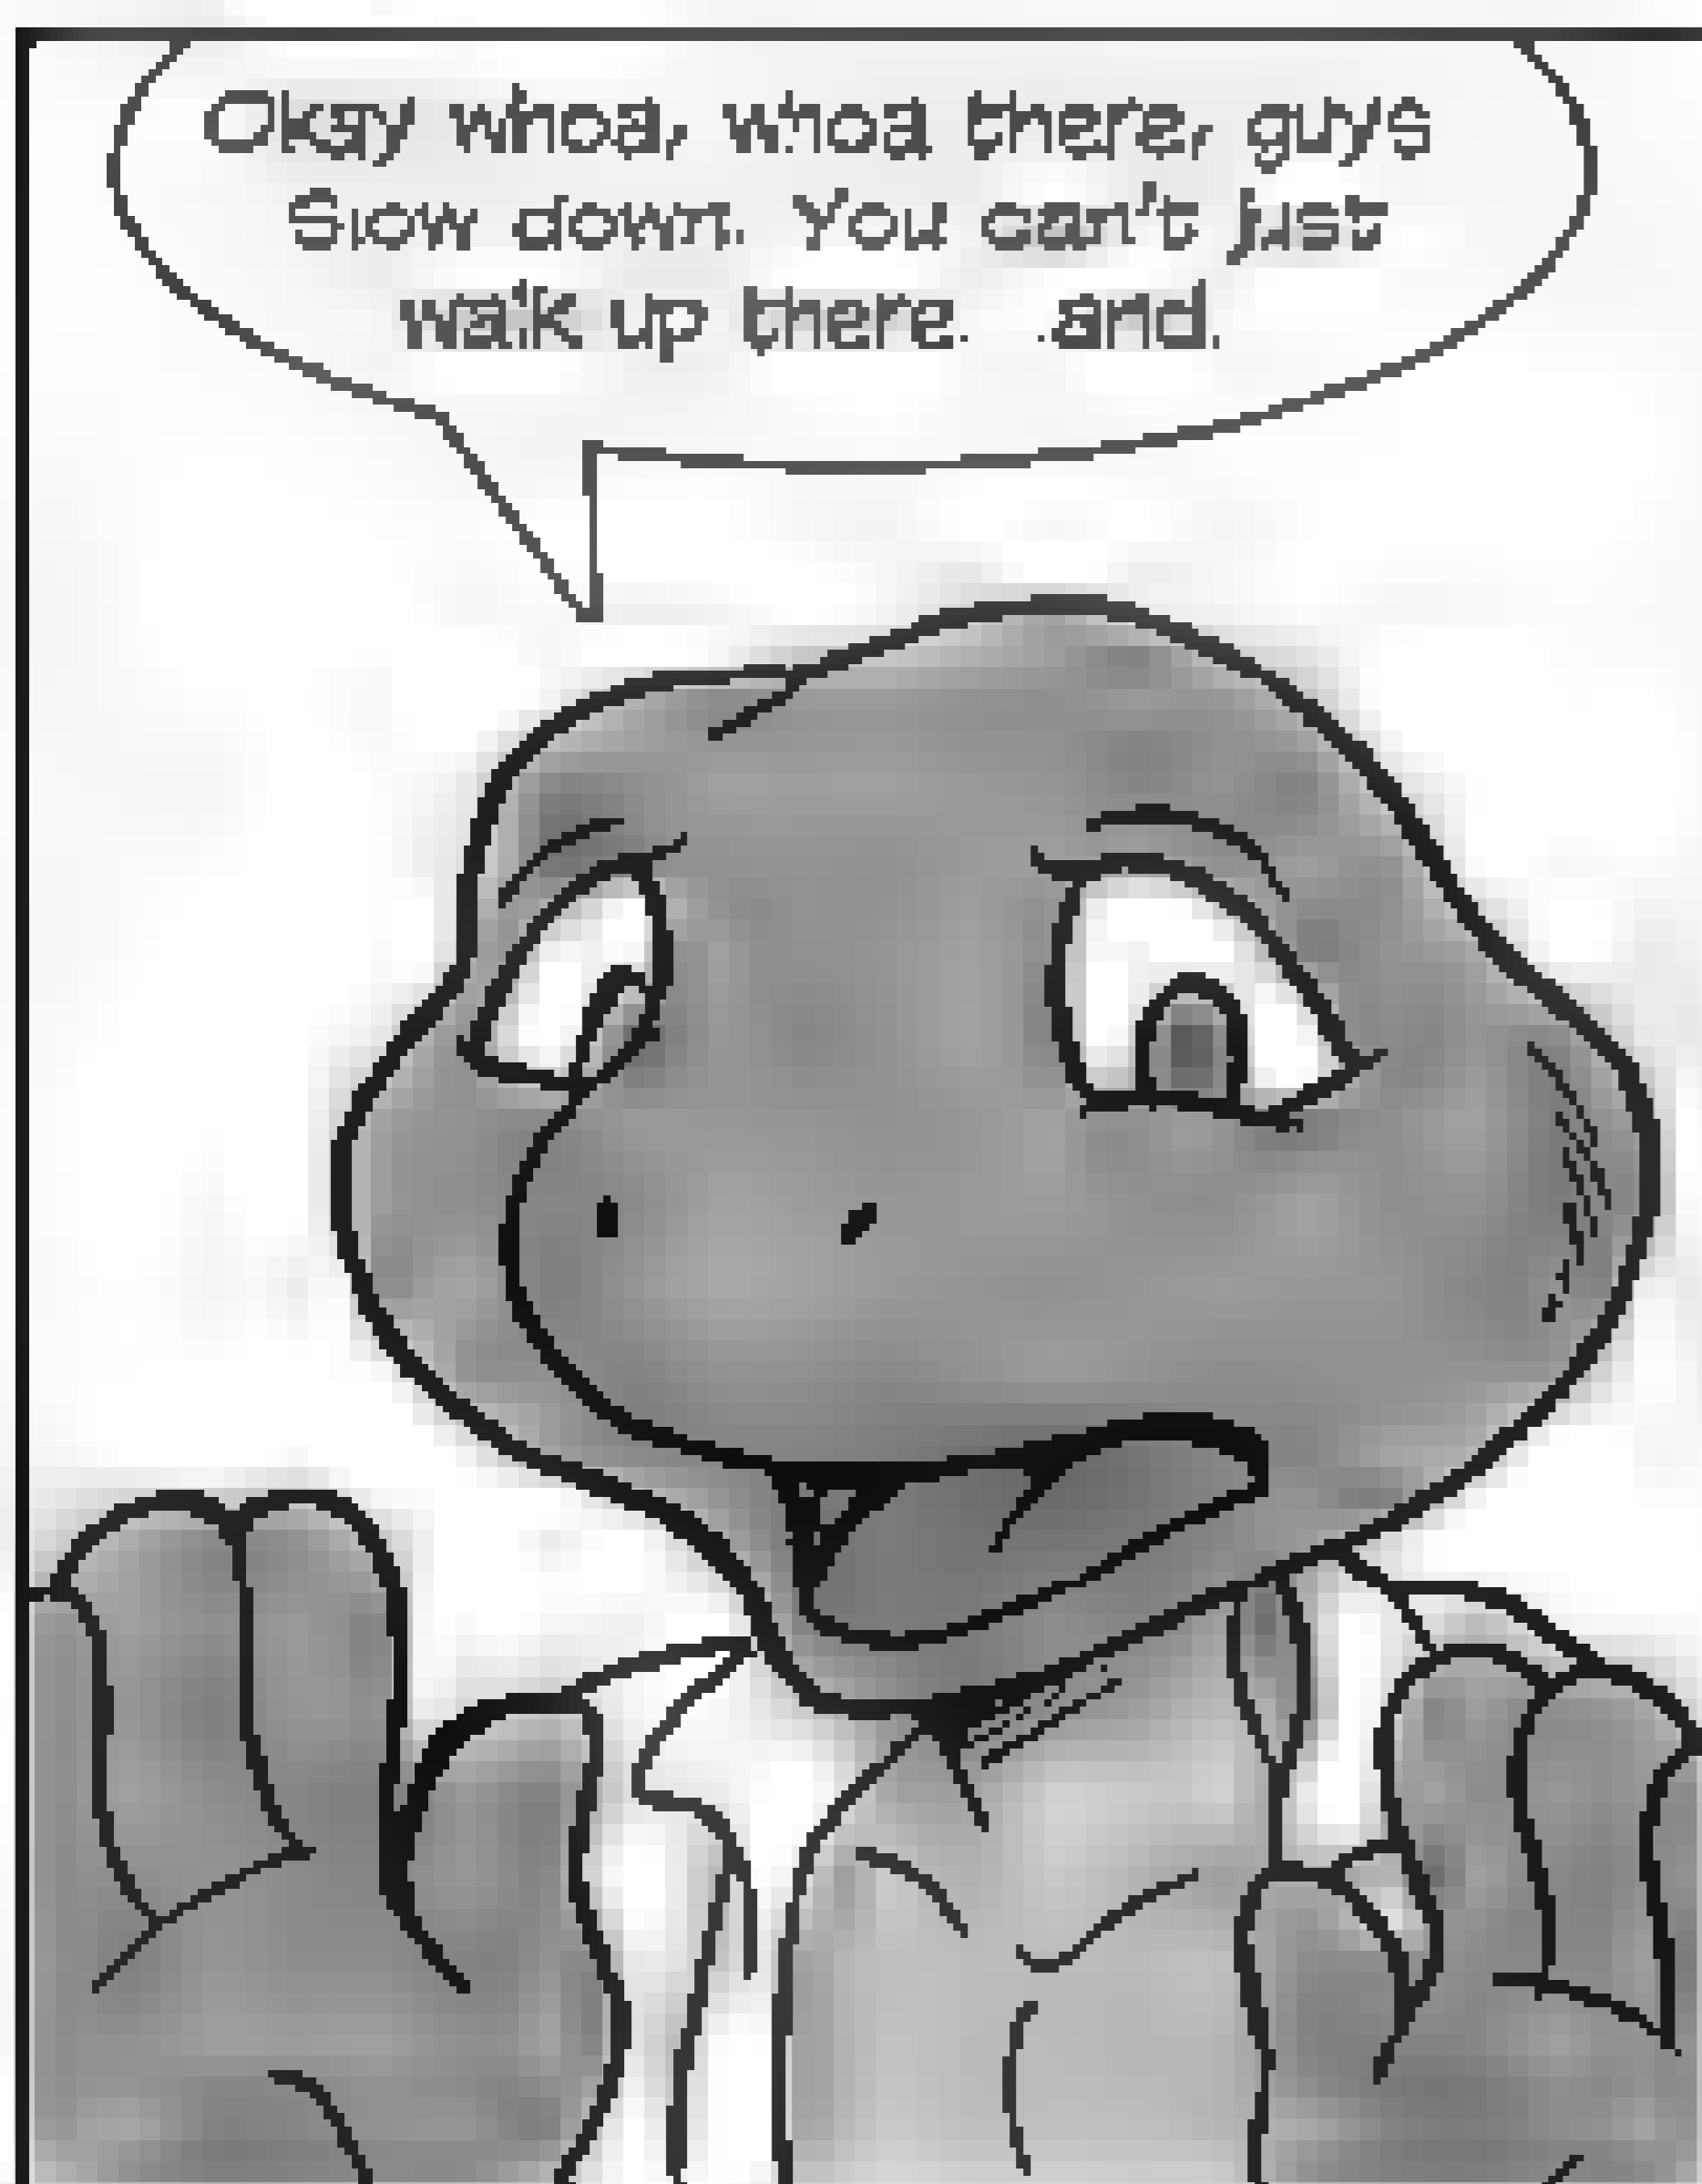

Damn it.
This could destroy
our plans.

"Destroy
our plans?"
Do people really
say that?

SILENCE!

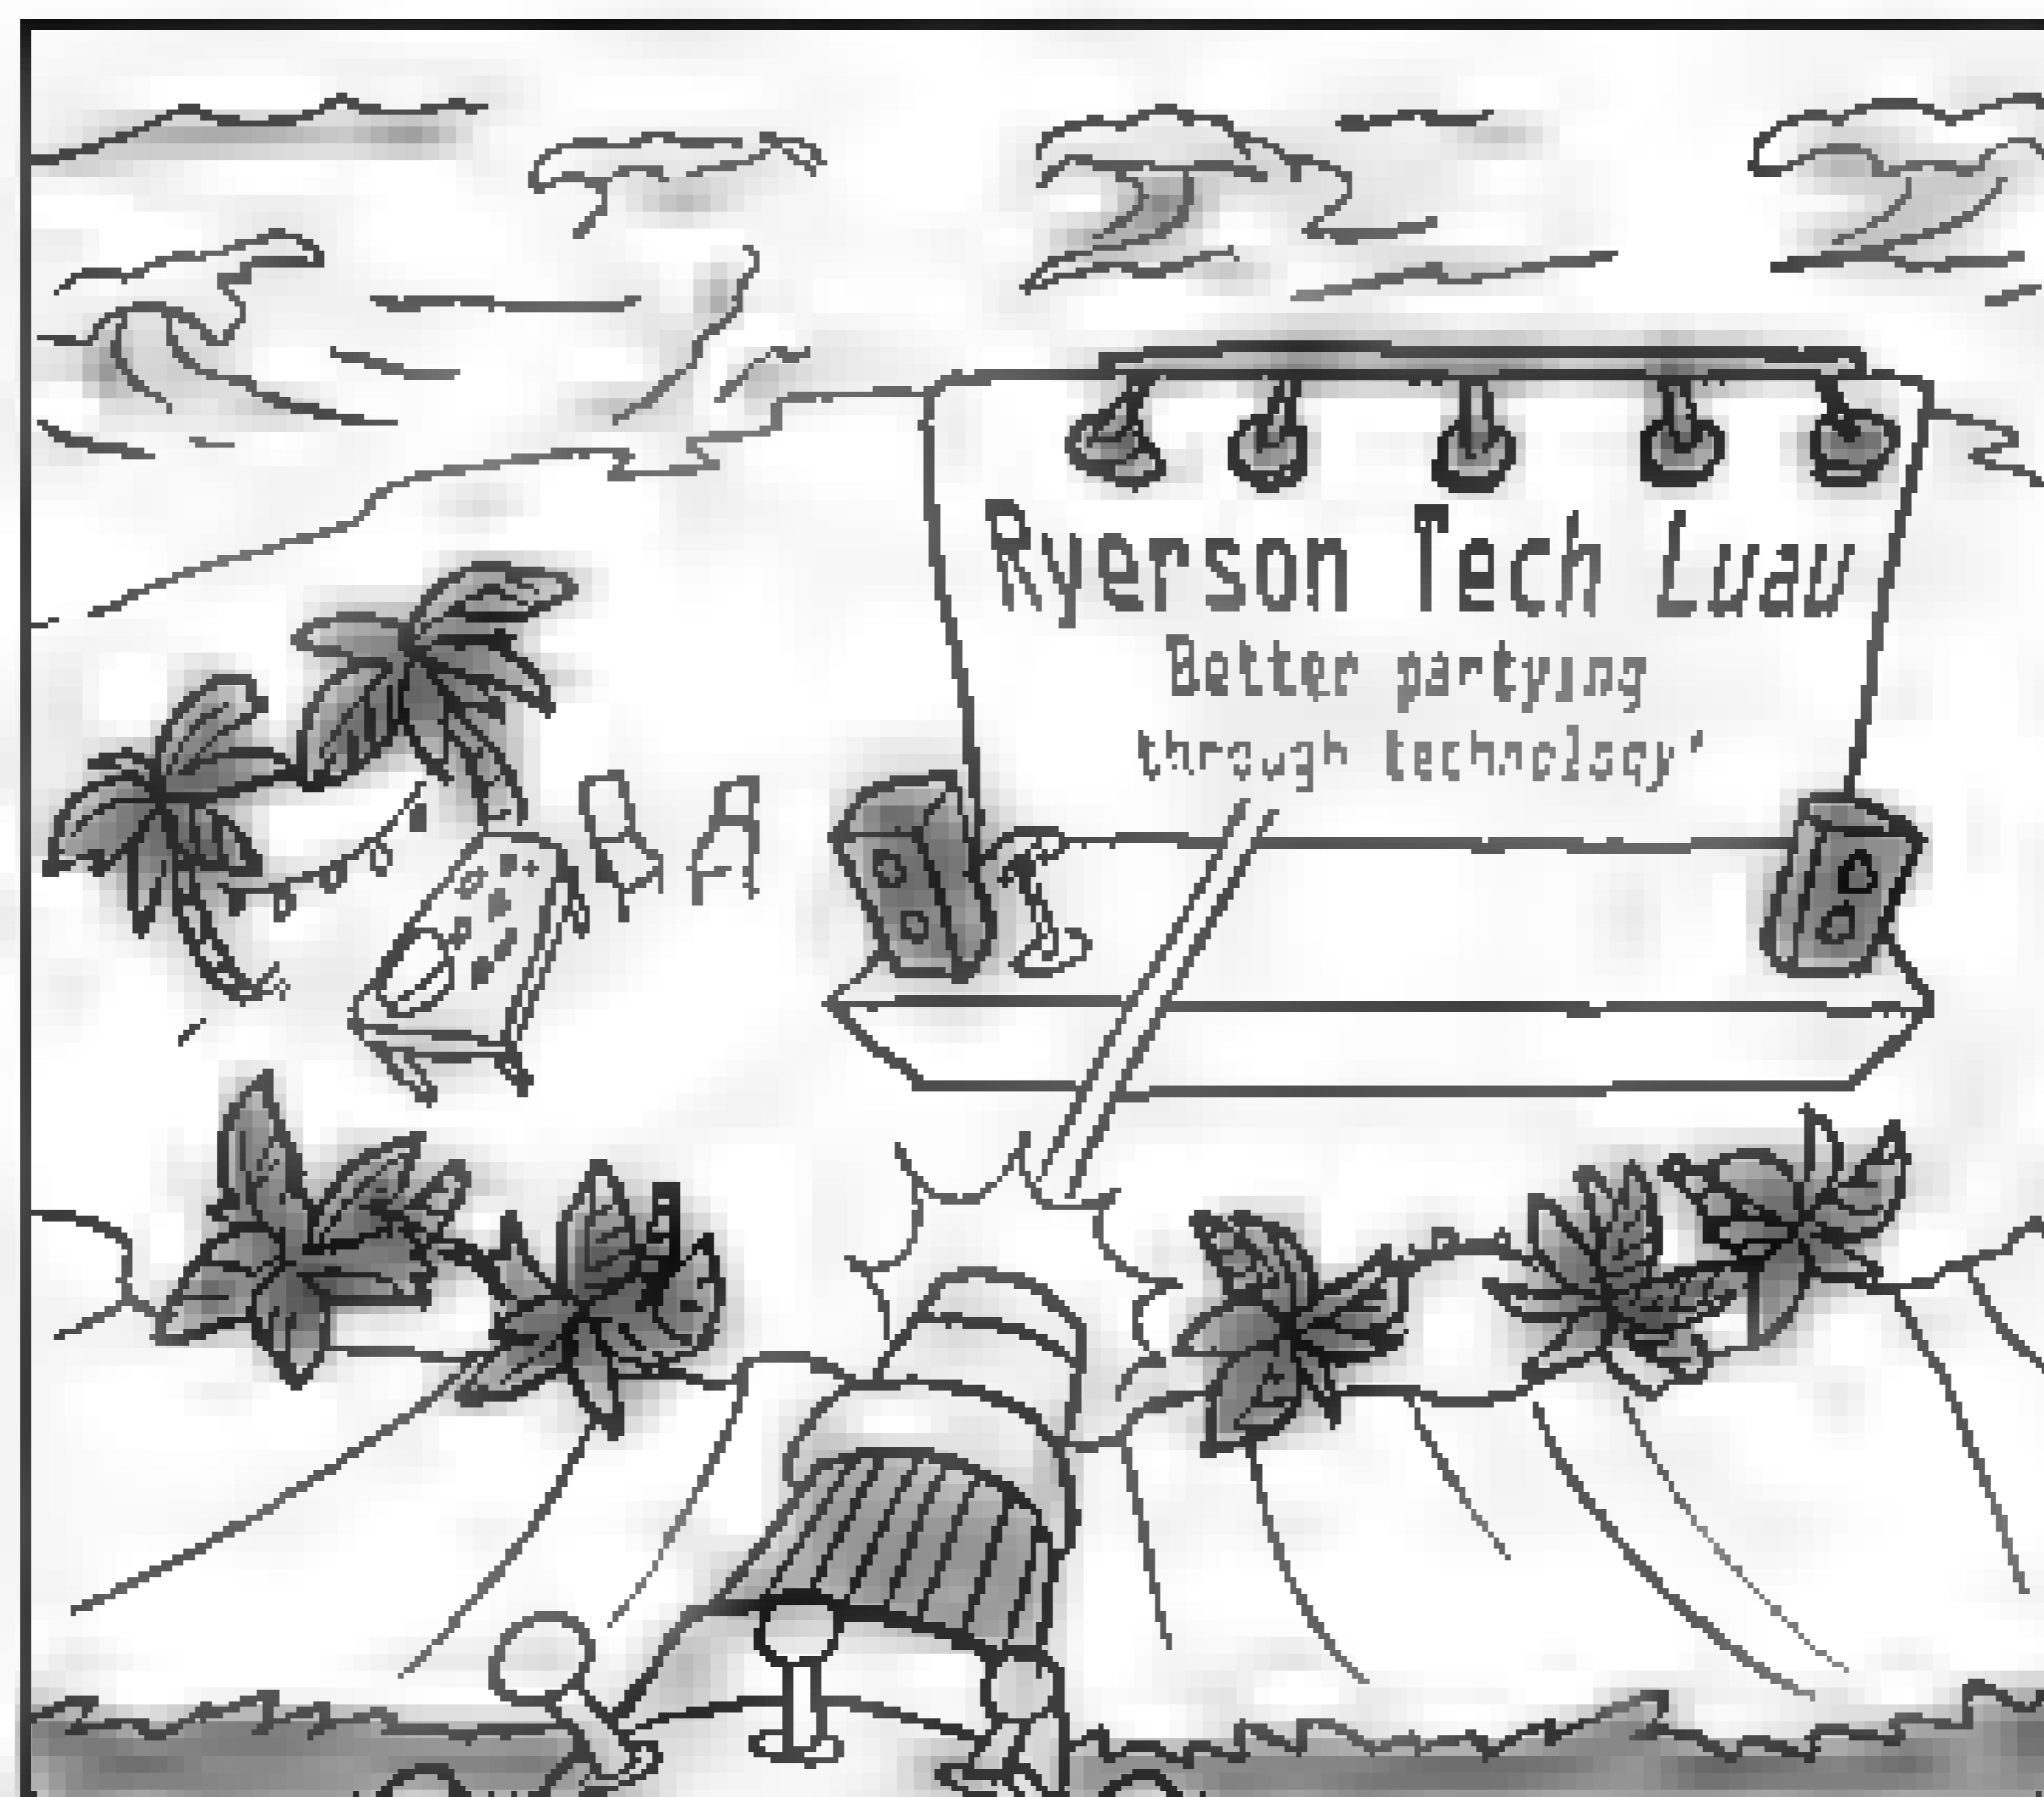

At midnight, near the top of Diamond Head:

Strangers are becoming fast friends...

And everywhere, there is ALOHA-- a spirit of belonging.

It's a perfect night for the

INCONTINENT STUDENT BODIES

But all good things must,
of course, come to an end..

Welcome Aloha
Honolulu Airport

Justin
wants to attend
your school in the fall,
and I've given my
permission.

That's
awesome, I'm
sure he'll
love it!

I'd like you to
hold on to this
while he's there.

Aw
mom..

Her.
You bet I
will.

Oh
geez

WHIZZZZ!

As you can see,
he'll need constant
supervision

Yup,
so I
see.

And so, after a long flight, our heroes return home.

WHOO!
SO glad
to be
back.

I ended up with a hot
Hawaiian boy, and you
ended up with a sissy
MOMMA'S BOY.

I ain't
complainin'!
